

Team,

I am sorry for getting this message out so late but I wanted to let everyone know that I have called a "Special" meeting for Wednesday, March 30, 2011 at 5:30 pm for a "Relay for Life" planning session. Since Friday is our event, we have a couple of things to work out. If you can't make the meeting, that will be quite alright. We need help setting up the booth on Friday April 1, 2011. Any time after Noon would be perfect. Since the event kicks off at 6:00 pm, We would like everyone that is able to participate in the Opening Ceremony. Try to arrive at about 5:30 pm.

It is not too late for fundraising. Just today, one of our members sent out a simple Email to a small group of people and received several donations totaling \$275.00 in 2 hours. If you need help with this, just contact me.

Bob Mitchell, W4HKG has loaned a spare Kilt for anyone who would like to "Dress" for the occasion. It is an Xlarge size and in Army Cammo colors. First come, first served. You can challenge your friends in that you will wear the kilt for 1 hour for each \$100 donated between now and the Relay. If you reach your goal of say, \$500, then you'll post your picture "in the Kilt" on our website.

If you have not done so, be sure to visit the DEARS Relay for Life Team Page at http://main.acsevents.org/site/TR?pg=team&fr_id=29742&team_id=810470. Be sure to direct any donations to either the Team website listed above or you own site created after registration.

In addition to walkers on the track, we will also need Ham Operators for our Special Events station. We hope to make plenty of contacts during the Relay event.

I look forward to seeing everyone Friday-Saturday for this worthwhile event.
